

# Manege Lighting

- Aluminium – light to handle, won't rust
- Easy to change light bulbs
- Put away in seconds
- Directional – light arena, not surround, or night sky
- Lengthen the day – back from school
- Simple wiring
- Each unit has twin 500w lights mounted on top
- Unobtrusive when down and reasonably priced

**Putting up and taking down each unit in "15 seconds"**

The Retractable Lighting Company has been supplying discreet lighting for tennis courts, play areas and Maneges since its inception in 1989.

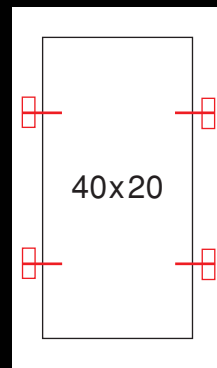

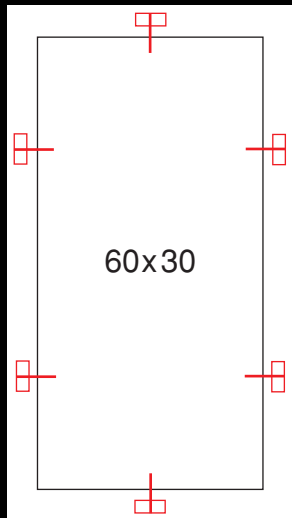

Kristina Cook [née Gifford] Team Gold Medalist at World and European Three-Day Event Championships seen here on Miners Frolic. Also Individual Silver Medal at European Championships and many top ten finishes at Badminton and Burghley.

"I'm thrilled with my new lights" says Tina "They really have extended my working hours and made them much more flexible. Also they are so easy to use and operate. I thoroughly recommend them."
